

Thank you for allowing us the opportunity to minister to your children. We appreciate any comments or questions regarding our programs and their content. Also, we are always in need of caring, helping hands to participate in our ministries. Those who volunteer in our programs find their service to God is as valuable and rewarding to themselves as it is to the children. If you would like to assist in any area of Children's Ministries please contact Sheila Yamanaka at 327-7121 (ext. 222) or syamanaka@npctucson.org.

Child care is provided for children birth through 3 years, during all three Sunday worship services (8:00, 9:30 & 11:00).

The purpose of the Northminster Presbyterian nursery program is to provide quality child care on Sunday mornings and for other special events, enabling families to participate in the life of the church through worship, study, and service areas.

We strive to provide a positive, nurturing environment where children can learn and grow in God's love, and feel at home within the church family.

Our nursery is staffed with paid child care workers as well as volunteers. The paid staff wears smocks for easy identification. Our staff is carefully trained in order to be able to provide the best possible care for your children. If you have special instructions for your child please inform a nursery staff member.

Our nursery is located in the Christian Education Building, Room 2. The nursery is staffed from 7:45a.m.-12:15p.m. each Sunday.

What to Bring for your child...

Diaper bags **MUST BE LABELED WITH YOUR CHILD'S NAME**. Please provide us with diapers, pacifiers, bottles, and extra clothing per your child's needs. It is always helpful to write down special instructions for your child so the Nursery Attendants can refer to it later. A mid-morning snack is provided for toddlers and preschool children. Please label **EVERYTHING!**

Please NO glass bottles or containers, perishable foods, or medicine!

Paging System...

When you check your child in you will be issued a pager used to notify you if your child needs you. The system works throughout the church campus and is used for any church events where children are admitted to the nursery.

Signing your child in...

The Children's Ministry staff takes great care in keeping records of attending children and we would appreciate your help. Please take the time to fill out a Nursery information form for your child. Please sign your child in at time of arrival printing clearly, first and last name & the service or special event you are attending.

Sick Child Policy...

For the health and safety of all children, our child care workers have been instructed not to accept sick children in the nursery for any church events. Our policy for sick children is:

- ◆ A child must be completely free of fever, diarrhea, and vomiting, for 24 hours prior to the start of child care.
- ◆ Children will not be admitted into the nursery for 48 hours after beginning any antibiotic therapy.
- ◆ Spreading of cold germs is a problem in our nursery. Children with fresh colds and/or thick green or yellow nasal discharge will not be accepted in the nursery.

Childcare personnel may refuse admittance to a child that meets the above conditions. If a child should become ill during their stay in the nursery, parents will be contacted and asked to take them home.

Childcare for Special Events...

Evening worship and special fellowship events may have childcare provided. Please watch the church bulletin and *The Vine and The Branches* newsletter for information on these events. Some church events require reservations from the individual families. For times other than Sunday mornings please let us know of your childcare needs by calling 327-7121 ext. 222. It is not necessary to make reservations for Sunday morning.
